## AUTHORIZATION TO RELEASE INFORMATION AND ASSIGNMENT OF INSURANCE BENEFITS

I hereby authorize David Denton, PMHNP to:

- Furnish my insurance company with any/all information requested concerning my present claim(s).
- Bill my insurance company and accept payment from that company on my behalf for all services from time to time relating to my case.

I acknowledge that I am responsible for all charges not covered by my insurance. I agree that if costs or fees are incurred in connection with the collection of this account, I will pay all such costs and fees, including, but not limited to, collection costs, attorney's fees and all court costs. I understand that failure to resolve any outstanding balance may result in my account being referred to a collection agency if it remains delinquent without a response from me.

## David Denton, PMHNP - Office Policies –

This statement contains information regarding my office policies. Please read them and, if you have any questions, please discuss them with me. Your signature at the bottom of this sheet signifies you have read, understood, and agree to abide by these policies, and that you have received a copy of the policies for yourself.

**Benzodiazepines and Prescription Monitoring Programs** Due to research based evidence regarding the tolerance, dependence, and neuronal degradation which benzodiazepine medications (Xanax, Ativan, Klonipin, Valium) cause, I am not accepting patients that have been taking any of these medications for long periods and are seeking to continue taking these medications. I will discuss, on a case by case basis, titration assistance OFF of these medications with those who are genuinely interested. Furthermore, I reserve the right to dismiss any patient who I have found has received prescriptions for Scheduled medications, including opioids, stimulants, or benzodiazepines, from multiple providers over the last 24 months as evidenced by any State Prescription Drug Monitoring Program report.

Appointments Your appointment time is held exclusively for you and cannot usually be filled on short notice. If you fail to keep an appointment, you will be charged for the time as though you attended. For appointments canceled with less than 24 hrs. notice (not including weekends or major holidays) we will bill you 50% of the full fee, no matter what the reason. Please note that insurance companies will not cover this charge and you will be responsible for covering this fee in full. If you NO SHOW two times this office reserves the right to terminate the provider/patient relationship.

**Emergencies** We are not equipped to handle acute emergencies. If you have a non-emergent problem and wish to speak with me leave a message at the office and I will attempt to contact you as soon as I am able. If you need immediate support for an emergency, you may contact the Crisis Line at (360) 696-9560 or visit the nearest ER. When I am out of town, another clinician will be available again for non-emergent issues.

**Insurance** We will bill your insurance for our services. We will assist you but you are responsible to check with your insurance company regarding your coverage and to track this coverage as treatment progresses. Some things to keep in mind are: Are you currently covered? Am I a provider whose services are paid under this plan? What is your annual deductible? What is the percent of coverage? What is the maximum benefit for outpatient mental health coverage? Remember: You are responsible for bills whether insurance pays or not.

Fees If you do not have insurance then I will offer you a discounted rate. The discounted rates are as follows; \$350 for an initial evaluation, \$300 for subsequent 50 minute sessions, and \$175 for 25 minute sessions. Additionally, you will be charged \$300 per hour for additional services provided at your request or for your benefit (at the request of an insurance company, attorney, etc.), such as report writing, consultation with other professionals, hospital visits, phone calls with you or others, court appearances, etc. Payment (or co-payment) is expected at the time of the visit unless other arrangements are made. These rates are subject to change.

**Billing** You will be billed monthly for any outstanding balance. Payment by the 15th of the month, according to our written agreement, is appreciated. Should the bank return your check, there will be a \$25.00 returned check charge. As a last resort, your account may be turned over to an attorney or a collection agency for collection and you will be held responsible for any legal or collection costs incurred.

**Confidentiality and the Release of Information** Your participation in treatment and all information about you is confidential and will not be disclosed to anyone without your written consent. The only exceptions are: a) cases of suspected abuse or neglect of a child or elder, b) cases where I believe the client presents a clear and imminent danger to him/herself or to another person, c) cases where a court subpoenas me to testify or subpoenas my records or d) cases where an insurance company is helping to pay your fee and requires information about diagnosis and/or reports about treatment.

**HIPAA Notice of Policies and Practices** We are committed to preserving the privacy of your personal health information. Additionally, we are required by the Federal law (Health Insurance Portability and Accountability Act, known as HIPAA), and by State law to protect the privacy of your personal information and to offer you a Notice that describes (a) how clinical information about you may be used and disclosed and (b) how you can get access to this information. Please ask for a copy of the *HIPAA Notice of Policies and Practices* should you wish to have a complete copy for your records.

Your signature below indicates that you have read this agreement and agree to its terms. Your signature also serves as an acknowledgment that you have received the *HIPAA Notice of Policies and Practices* described above.
